

FUNDRAISING: MISSION GLOBES

HOW TO RUN A MISSIONS GLOBE PROJECT IN YOUR CHURCH

Running a Missions Globe project in your church is really easy! It is a fantastic way to get people involved with fundraising and a simple way to raise money for Elim Missions. Thank you for your willingness to help Elim Missions by embarking on this journey with us. Below is an explanation of how you can run Mission Globe's in your church.

STEP ONE

Once you have your globe's, using the stickers provided write the date of your first collection on it and stick to the bottom of the box. Then hand out the globe's to people in your church pointing out the date of collection. Many churches have chosen to use the first Sunday of each quarter (e.g. March, June, September and December) but this is entirely up to you.

STEP TWO

On the chosen day of collection set up an area with two people present and a bucket/bin (or something similar) for people to empty their globe's into. As people arrive they can simply open the globe and pour the money into the designated pot. Once they have done that, thank them and give them a new sticker with a date for the next collection.
